

Who Are the Adventists? Part 1

The Exchange 25 July 2015

1. What words do you think the wider community would tend to associate with Adventism?
2. Do you think the words associated with Adventism by the wider community are accurate, or are there other words that you think Adventism should be known for?
3. How do we go about changing people's perception of Adventism?
4. What do you know about the Great Disappointment? What lessons can be learnt from it?
5. Why do you think God kept the date of the Second Coming of Jesus a secret?
6. Do you think that the Adventist Church has a unique role to play in preparing the world for the Second Coming of Christ, or is its role no different to that of other Christian faiths?
7. What reasons are there to share the Adventist message with Christians of other faiths?
8. The Adventist pioneers insisted on not having a creed and of advocating "present truth." Do you think it's possible to have unity without a creed? What are some "present truth" today?
9. What is the best way we can prepare ourselves and others for the second coming?
10. Share praises & prayer requests & pray together to close.
