4. Besides finances, what are some other resources we can give to advance God's work?
5. Read and reflect on 2 Corinthians 9:6-11. What key principles should guide our giving?
6. Read Genesis 28:10-22. What led to Jacob's commitment to tithe?
7. In what way is tithe different from an offering? (References: Leviticus 22:17-21, Numbers 18:21-28, Deuteronomy 12:5-7)
8. In what ways is it “more blessed to give than to receive” (Acts 20:35)?
9. Malachi 3:10-12 is often quoted to exhort giving. Do you think this passage is an appropriate motivator? Have you ever “tested God” in this way? Did it turn out the way you expected?
