

7 November 2015 – *Choosing When to Choose*

You do not need to answer all the questions nor go in order – these questions are here to stimulate dialogue and an exchange of ideas.

*About you*

- 1/ What was interesting or confusing about the sermon today?
- 2/ Think of a time you made the wrong choice? Why did you do that?
- 3/ What decisions do you enjoy making and what decisions do you hate making?
- 4/ Looking back is there a time when you really struggled to choose? What about the situation made it so hard? What happened in the end?
- 5/ When you have an important choice to make who do you turn to?

*About life*

- 1/ Is there a right and wrong choice in every situation? Does God have an opinion on each choice we make?
- 2/ We live in a consumer culture where more choice is good. Is more choice better for you? Is this the same in God's way of things?
- 3/ Do people who follow God have more or less control over their choices?
- 4/ How do you use prayer to help you in deciding what to do?
- 5/ Can you choose to love? Can you choose to be happy? Can you choose to follow God? Can you choose to be fruitful?

Please pray together to close.
